

## Used Car Sale in Charlotte

### The Best Used Car Sale in Charlotte?

We've all heard the hype. "Inventory Clearance!" "Overstock Blowout!" We've seen the scruffy people spinning their signs at intersections, advertising the latest giant closeout sale.

We all want to get the best value for our dollar, and it's tempting to respond to auto dealers' periodic "sales events" with optimism. However, if you're looking for a used car sale in Charlotte, you might want to forget those giant tent sales and mall blowouts. You can get good value every day of the year at DriveTime, and the financing you'll find there—especially if you've got bad credit—is second to none.

DriveTime is all about cultivating relationships, not just about dealer invoices and margins. We understand how difficult it is to shop for vehicles with credit challenges, and we want to show you that there's a way out, that we can help. With each used car sale in Charlotte, DriveTime builds its happy customer base. We want you as a customer for life &hellip; or at least until your credit is good enough for you to shop elsewhere. We actually give returning customers great deals to stay with us, and are gratified when many of them buy another DriveTime car and continue the relationship.

We want to be your Go-to-Guys, plain and simple. It's the DriveTime spirit of professionalism and courtesy.

So, if you're tempted to hit the big tent sale over at the mall, go if you must. But whether it's warm or cold outside, if your credit's not so hot, be prepared to be disappointed. Why run around town when you can go to DriveTime and get the vehicle you want and the financing you need.

We have a big inventory of late-model vehicles to choose from. We also have 5 stores in the Charlotte area, so if we don't have the car or truck you want at one lot, chances are we can get it from one of our other dealerships.
